

ONE PAGER HOW TO PITCH CEGID (AS AN EMPLOYER OF CHOICE)?

Who's Cegid?

Cegid is a **leading provider of cloud-based management solutions in France and abroad**, for professionals in finance, human resources (talent management & payroll), accountancy, retail and entrepreneurs.

In a world in constant and fast evolution, **Cegid makes more possible** and unlocks the full value of its clients' businesses by providing them with **purposeful and innovative solutions**.

Our Promise, as an Employer

We are aware that the way we do things may not suit everyone, but we're convinced that **if you are willing to grow fast & go further than anyone**, up to defining **your future, ours and our clients' industries' future**, we coach, we help & we train you to do so, **TOGETHER**.

Why choose to work at Cegid?

Because every day, as an employer, Cegid makes and embodies 3 commitments to all its employees. **Each employee has a role to play in the development of the company** and in return Cegid supports its employees in growing as part of a strong community:

LET'S EMBODY DIVERSITY

It means that diversity is our DNA, it's part of who we are. We are diverse in so many ways: employees, teams, projects, expertise, clients...

In our company, we dare to embrace differences and make them our biggest strength.

LET'S STEP FURTHER TOGETHER

It means that we ensure that every employee in our company is evolving every day in a large collective where human being is at the heart of what we do.

We guarantee that everyone is always supported by a collaborative culture.

LET'S DARE TO MOVE FORWARD

It means that we are driven by a strong taste for challenges. In a fast-growing company like ours, **we are not afraid to go beyond what we're expected to and to embrace everyday more opportunities to develop a positive impact on the world around us.**

Let's shape
the future
together
